Conversion of former public house into two dwellings. **Awaiting SAC determination. App Feb 24.**
Appropriate Assessment of 9 May 24 issued by Buckinghamshire Council in relation to VALP and SAC. Clerk has asked Cllr Brazier to seek further information on what the implications were for the White Lion, Anglers Retreat and Ainscough applications in relation to the Appropriate Assessment recently issued for the White Lion

referencing the implications for the SAC. Reply from Council: *As part of the assessment (and in readiness for the when the mitigation is agreed) the Council is required to ensure the 'appropriate assessment' is completed and that this is sent over to Natural England (NE) as a statutory consultee. I anticipate the consultee response from NE will be an objection due to no mitigation (as you pointed out) but then when the SAC mitigation strategy is agreed/adopted this should give the applicant the appropriate measures to sign up to (via legal agreement) for this to be overcome.*
